

EDISON CHARGERS

Dear Sir or Madame,

We are writing to you on behalf of the Edison High School Men's Basketball Booster Club. The club is an all-volunteer 501(c)(3) organization committed to supporting coaches and athletes in a positive way, both on and off the court.

We are hoping that you might be willing to support the teams with a financial donation in exchange for an advertising banner to be displayed in the Edison High School gymnasium in view of all fans for the entire basketball season. The men's varsity team is coming off another fantastic season for the school. Last season the boys qualified for Division 2A of the CIF Southern Section Tournament for the 22nd year in a row and made it to the semi-finals of CIF.

There are many expenses connected with running a high school sports program, and we rely heavily on fundraising events and the support of local businesses. Due to budget cuts, school districts are no longer able to provide funding for sports programs. The booster club raises these funds to help provide necessary equipment and support to continue our great program and to develop our players into mature men on and off the court. Money raised from this donation request will be used to help purchase new uniforms and warm up gear, to replace/refurbish equipment, and to help pay for participation in tournaments.

If you are able to help, please send your donation to the address in the attached Banner Advertising Form before Saturday, December 2, 2024, or contact us at the phone numbers or email addresses below and we will make arrangements to pick up your donation. The Banner Advertising Fundraiser is our largest fundraiser of the year, and we sincerely hope you find it possible to contribute. Your generous donation will help the Edison High School Basketball program continue to be one of the best public-school programs in Orange County. This is a wonderful opportunity to make a difference in the lives and future of these young men.

If you have any questions, please feel free to call us. On behalf of the Edison High School Men's Basketball Program--players, coaching staff, and booster club--we thank you in advance for your consideration and generosity.

Respectfully,

Andy McNally
